SHCs Leveraging Data: Brainstorming Worksheet

1) **Audience**: Who should we share data/information with to increase SHC impact and sustainability? (e.g. students, parents, funder, policy makers, etc.)

   -

2) **Goal(s)**: How will our audience be impacted if we are effective at sharing data/information? (e.g. awareness, collaboration, financial support, political support, etc.)

   -
   -
   -

3) **Data**: What/which specific data will help us achieve our goal(s)?

4) **Have**: What/which of these data do we have access to? What is the source?

5) **Need**: What/which of these data do we lack or need? How might we get it in the future?
